- All vehicles and team equipment is left at the owners risk and neither the organisers nor circuit operators can be held liable for any loss or damage, howsoever caused.
- Where vehicles with tail lifts are being used at the venue, the operator must ensure that the tail lift is never left down, including in the halfway position, other than when loading/unloading is being undertaken.

15. Circuit layout, track access and exit

- Diagrams will be issued to show the layout of the course that will be used for Free Practice, Qualifying, the Semi Final (Top 16) and Final (Top 8) sessions.
- Teams will be called to session. **PLEASE BE READY!**
- Cars will be directed to line up in a holding area. A marshal will then release cars onto the circuit.
- Support vehicles and crews (maximum two people) will be released onto the track in advance of the competing cars. They will be directed to the location on track designated as a service area. If crews are not ready, they will not be released.
Further details regarding track access will be provided in the drivers’ briefing.
- At the end of each track session all vehicles must return to the paddock. The route will be advised at the drivers briefing.
- Following each session, competitors may be held pending technical checks until instructed to return to their pit by an official.
- Should your vehicle stop trackside, drivers will be approached by a marshal at a distance. Drivers should indicate they are by okay giving them the thumbs up signal. Failure to do so will mean that additional help will be called for to assist personally and to move the vehicle.
- Please follow marshals’ directions at all times.

16. Race Day Information

- The organisers will try to run the programme as published but reserve the right to delay or bring forward event times to suit the conditions of the day.
- There will be no printed results and official bulletins etc. These will be sent to drivers electronically via a WhatsApp group as soon as they become available and will be posted on the virtual notice board, which can be found by clicking the link in the footer of the Time Attack website: www.timeattack.co.uk

17. Judicial, Protests & Appeals

- All judicial paperwork must be lodged with the Senior Clerk of the Course (caudleluke@gmail.com) who will then process this as appropriate. If there is a need for a face-to-face interview, a face covering may be required.
- For judicial and appeals purposes the time of issue will be deemed to be the time the decision was sent, unless the recipient is informed verbally, when the time commences at the time notified verbally as stated on the relevant Clerk of the Course decision sheet.
- All decisions will be posted on the virtual noticeboard.
- Protests & Appeals should be made in accordance with Motorsport UK Regulation [C 5]. They must be submitted electronically and emailed to the Senior Clerk of the Course Darren MaCClinton: dmacclinton@gmail.com
- Protests and appeal forms are available on the Time Attack website via the following link: www.timeattack.co.uk/competitors-area
- At the discretion of the judicial officials, judicial meetings may be recorded. Please note that no competitor or entrant is allowed to record the proceedings under Motorsport UK regulation C15.
- Breaches of driving standards will be firmly dealt with. If the Clerk of the Course wishes to view evidence from the TV production company, any competitor's personal in-car camera, and/or data logging evidence in order to assist with his enquiry into a breach of driving standards, he may order that the results remain provisional and may take judicial action at a later date. The use of video evidence and/or data logging evidence is at the sole discretion of the Clerk of the Course.

18. Video Equipment

- Video equipment must not be fitted to any vehicle without express permission if it is to be used for commercial purposes. Any driver/team transgressing this regulation maybe subject to a fine of £1,000 and disqualified from the meeting. Once permission has been obtained video equipment must be fitted to the vehicle prior to scrutiny and the scrutineer must be advised.
- The name Time Attack and the Time Attack logo are registered trade marks and cannot be used without written permission from Time Attack Ltd.

19. Merchandising

- All merchandising rights on the venue belong to Time Attack Ltd. Any competitor found to be selling merchandise without prior written authorisation will be liable to immediate payment of the relevant sales site fees before being allowed to practice or compete.

Vehicle/Safety/Event Rules and Regulations

At all times whilst in the confines of the venue competitors should comply with these guidance notes.

Ensure you have made thorough safety checks to your vehicle. You will be having vehicle safety checks carried out secondary to your own before the start of the event. Also a technical representative will be checking your vehicle conforms to the vehicle regulations. Any vehicle deemed to be unsafe or not conforming to the regulations will be Disqualified from the meeting until such time as any defects are rectified. Your vehicle must be available for a safety check at any time throughout the event(s).

Usage and storage of Petrol

- All petroleum spirit must be stored in metal containers complying with the relevant British Standards and away from any source of ignition/flame.
- All containers must be marked as having petrol inside.
- All empty containers must be removed from the venue after the Event.
- Petrol is to be used as a fuel only, and not for any other purpose.
- All vehicle refueling is to take place in the open air. The person in charge of the refueling process must enforce a no smoking ban.
- Your attention is drawn to the Petroleum (Consolidation) Act 1928, and the Petroleum Spirit (Motor Vehicles) Regulations 1929.
- Competitors and entrants are reminded that fuel is available for sale at the Venue. As such it is unnecessary for competitors to carry large quantities of fuel inside vehicles

Hazardous Substances

- Some vehicle parts, for example brake and clutch linings contain asbestos. Entrants are encouraged to use non-asbestos substitutes wherever possible. Where asbestos is used, every effort should be used to prevent asbestos dust getting into the air.
- Some mineral oils may cause skin cancer. Prolonged contact should therefore be avoided wherever possible. Where contact does occur any contamination should be washed off immediately. The wearing of contaminated clothing (including overalls) should also be avoided.
- Various other substances may cause disease or ill health even after very short exposures. Manufacturers and suppliers of such substances are obliged to provide customers with information about the possible harmful effects of their products upon request.
- Where any person is at work, the requirements of the Control of Substances Hazardous to Health (COSHH) Regulations 1988, must be complied with

- All fires must be reported immediately to an official or member of the Venue management.
- Teams/drivers are encouraged to train their members in the correct use of fire extinguishers.
- All fire notices and orders to evacuate must be complied with.

Compressed Gas Equipment

- Air blasts from the over inflation of tyres can cause injury. Tyres should therefore not be inflated to pressures above the manufacturers' recommendations.
- All airlines should be in good condition and be inspected regularly.

- Always stand clear when inflating tyres.
- Any form of horseplay involving compressed air or gas is prohibited.
- Compressed gas cylinders should be stored in accordance with the relevant working practices.
- Where any person is at work the requirements of the Pressure Systems and Transportable Gas Containers Regulations 1989, must be complied with.

Jacks and Axle Stands

- Vehicles should only be raised on jacks which are in good condition, and rated to lift the vehicle weight safely.
- Jack vehicles only on level undamaged floors.
- Use the hand brake and /or chocks to stop the vehicle moving.
- Jacks, should only be used for lifting the vehicle. Axle stands should always be used to support the vehicle weight.
- Vehicle engines should not be run whilst the weight of the vehicle is supported by axle stands

General Working Practices

- All working areas should be kept clean and tidy, and any waste should be removed regularly and placed in the containers provided.
- All spillages should be cleaned up immediately.
- All trailing wires and hoses should not be allowed to create a trip hazard.
- Whenever vehicle engines are being run, adequate ventilation must be ensured.
- All safety notices must be complied with.
- Any person carrying out any work must ensure that they adopt safe working practices at all times, and comply with any relevant statutory provision and/or published guidance.
- Persons under the age of 16 are not allowed in the pits area or pit lane.

Noise

- Exposure to excessive noise may result in hearing loss or other complaints. These may be short term, or, after repeated exposure, permanent.
- All persons should avoid being exposed to excessive noise, and where this is unavoidable, they should wear earplugs or defenders to the appropriate British Standards.
- Where any person is at work the requirements of the Noise at Work Regulations 1989, must be complied with.

Manual Handling of Loads

- Lifting, carrying and propelling loads by bodily force is a major cause of injuries. All teams/drivers are encouraged to train their members in safe manual handling techniques.
- Where any person is at work the requirements of the Manual Handling of Loads Regulations 1992 must be complied with.

Waste

- All waste oil must be placed in the containers marked "waste oil."
- Waste tyres and empty petrol/oil containers should not be left at the Venue.
- Teams and competitors are urged to take any other form of waste with them when they leave the Venue, or to place it in the refuse containers provided.
- Your attention is drawn to the requirements of the Environmental Protection Act 1990,

Vehicle Safety

- A 10 mph speed limit is in force in all public areas, including paddocks and service roads at all of the venues. This applies to all vehicles with the exception of emergency vehicles attending an incident.
- No motorised forms of transport are allowed anywhere within the pit lane/paddock or garage areas with the exception of the transportation vehicles dropping off competing cars and parts/spares.
- All vehicles must at all times keep to the marked roads when moving around the Venue.

First Aid

- Any person sustaining an injury or feeling unwell should seek treatment from the on-site emergency services.
- To call the first aid or emergency services contact any official or member of the venue management.

Public Safety

- Competitors and entrants should act in a manner so as not to put either themselves or any other person at risk from injury
- **CHILDREN UNDER THE AGE OF 16 ARE NOT ALLOWED IN THE PIT LANE OR GARAGE AREAS**

Incident Reporting

- All accidents where any person sustains injury or where damage to property occurs must be reported immediately to an official or a member of the circuit.
