

DRIFT PRO CHAMPIONSHIP

**Round 6 Donington Park
Sunday 18th August 2024**

FINAL INSTRUCTIONS

Not long now and we'll be at what seems to be unanimously agreed as one of the best courses of the year. The track has been resurfaced since we were at Donington Park last year, so it should be better than ever!

Once again, we have a packed programme and another big car show in store. In fact, this year's Tunerfest Midlands is the largest show we've ever held at Donington. We have more cars and clubs on display than ever before, plus we have a thriving trade section too. Because of this, the paddock is completely full, so parking and making sure you keep within the boundaries of the space allocated will be important.

Let's hope the weather is more in keeping with the season than it was at Oulton Park and as such, we'll see a big crowd of spectators and fans on the day. Here's what's happening:

- Motorsport UK Drift Pro Championship - Round 6
- Time Attack - Round 6
- Racing Hondas Championship – Rounds 11 & 12
- TunerFest Midlands Show

ARRIVAL & PADDOCK ACCESS

There is a track day taking place on Saturday 17th August. The event concludes at 16.00. If you arrive before, please be mindful of those taking part.

On arrival please unload your car and park it in the Drift Hyper Paaddock area in the awning that bears your name. Please park your support vehicles and trailer in the areas indicated on the paddock plan. If you don't, you will be asked to move them.

Please do not park in any other location other than a designated area. The show takes up all other space on site and if you park or leave a trailer in the wrong place, you will be fined for doing so.

VENUE INFORMATION

Entry is via the main circuit entrance. Competitors should park in the designated area (see plan). Please park trailers in the area indicated.

Please remember that the paddock is accessible to the public, so keep your area clean tidy and safe and make sure you don't leave tools and equipment unattended. You may stay overnight in the paddock.

SIGNING ON & DRIVERS' BRIEFING

Signing on will take place in the office situated in the lower paddock from 07.00 on Saturday morning.

A drivers' briefing will be held in the Paddock Clubhouse at 08.45. All drivers must attend. If you're not there, a penalty will be applied. Drivers who are new to Time Attack will be asked to stay-on for a further safety briefing.

SCRUTINEERING

Scrutineering will take place in the Scrutineering bay from Sunday 08:00 - 08:45. Please note the briefing times so that you can scrutineer your car without missing the meeting.

IMPORTANT: Please ensure your car is well prepared and ready to be scrutineered. Delays are caused when cars or equipment is either not presented correctly or poorly prepared. Therefore, please check the basics: extinguishers, harnesses, seats, driver controls and operational lights. If the scrutineers find any significant issue, you will be sent back to your team area to effect repairs and then have to re-join at the back of the queue.

If you are missing any stickers or competition numbers, these can be collected from the signing on office when you sign on. Your car will not pass without them.
