

**Rounds 11 & 12 - Donington Park National  
Sunday 18 August 2024**

---

**FINAL INSTRUCTIONS**

**RACE WEEK!** And so on to Donington Park and possibly the highest average speeds we're going to see all season on the East Midlands venue's National circuit configuration.

35 drivers (welcome another newcomer, Matt Newing/One Day Motorsport) are entered for the two rounds which could prove pivotal to the various title outcomes with only Brands Hatch Indy and Snetterton 200 then left to go.

As ever, enjoy your time mastering Donington whose flowing nature makes it a fond favourite amongst drivers on the UK motorsport scene. We all look forward to another great day's action from the Racing Hondas grid in front of a sizeable race day crowd – there to soak up the atmosphere of Club Time Attack's Tunerfest (Midlands) show.

---

Here's what's in store:

- Racing Hondas Championship – Rounds 11 & 112
- Time Attack – Round 6
- Motorsport UK Drift Pro Championship – Round 6
- Tunerfest Midlands Show

### **DECALS ON CARS**

At Donington Park, the 'decal police' will be out ensuring championship decals are fitted in the right places on all cars (**see ch'ship regs 7.0-7.4**).

[CLICK HERE](#) for the decal plan. If you're in short supply, our Secretaries Mark and Kirsty or Scrutineers Ian and Mike have boxes full of them – there's no excuse lol!

Seriously, your car risks failing scrutineering if decals are not fitted as per the regs. The championship is on the up so let's make it look even more impressive when all your great cars are lined up on the grid.

**DO NOT run other championships' decals on your car.**
